The class is six sessions (March 15th-April 26th), and participants will receive 15 hours of professional development that can be applied to the CLDE re-licensure requirement (45 hours). Teachers will also be paid 15 hours extra duty for attending every session. The class is full, but if you'd like to be added to the waitlist email Lorenzo_Moreno@engschools.net .

WIDA: eWorkshops for Teachers

WIDA is providing eWorkshops that can be completed when you want, where you want, and at your own pace. These courses are free and count toward the CLDE 45 hour requirement for relicensing. Educators can request access to WIDA eLearning by contacting the WIDA Client Services Center (help@wida.us) from their school issued email. Click for the eWorkshops Flyer.
